The County Legislature of the County of Steuben convened in Regular Session in the Legislative Chambers in Bath, NY on the 24th day of July, 2023, at 10:20 a.m. and was called to order by the Chairman of the Legislature, Scott J. Van Etten.

Chairman Van Etten asked Kim Gotshall to come forward. Ms. Gotshall is an employee in the Finance Office. He presented her with a Certificate of Appreciation and a clock in recognition of her retirement with 30 years of service to Steuben County.

Chairman Van Etten asked Teresa Stever to come forward. Ms. Stever is an employee in the Department of Social Services. He presented her with a Certificate of Appreciation and a clock in recognition of her retirement with 32 years of service.

Ms. Muller stated we will be celebrating Ms. Stever's retirement on Friday. I would like to thank her for her dedication to the County. She began her 32 year career in the Department of Community Services, first as an MSW intern, than Staff Social Worker and finally Senior Social Worker. She became Deputy Commissioner of Social Services in 2001 during which time she has had oversight of the services division. The work is not easy as it is 24 hours a day with interruptions to sleep and missed holidays and birthdays. We see the worst of the worst and the best of the best. She exemplifies the definition of professionalism and optimism. Her values and standards are high and her commitment to children and families is unwavering. She leaves behind work of excellence and has led the way on so many initiatives and has made a difference in service delivery. Congratulations and I wish you the best in your next chapter.

Ms. Stever stated she would like to share her gratitude after 32 years of service. I have grown up here; I was raised in Arkport and was raised in County Government. I did my internship and was hired by Dr. Anderson and Ms. Muller. Ten years later I was Clinic Coordinator and left to join the Department of Social Services as Deputy Commissioner. I would like to thank Ms. Muller for believing in my ability to do this challenging, but rewarding position. She has been my mentor and I have appreciated her leadership and vision. Our management team is made up of like-minded individuals and is incredibly hard working. Our support team is amazing. The services division includes Child Protective, Prevention, Foster Care, Adoption, and Building Independence for the Long Term (BILT). My position has afforded me the opportunity to bring

the needs of the County to our State Committee and I have shared the needs of our children and adults. I would like to thank the Chairman, the Legislators and the County Manager for the long-standing support afforded the Department of Social Services. Your support has allowed for so many successful interactions. I would ask for your support at the State level to bring to the forefront the crisis system for youth and adults as there are no appropriate resources available for them, and I believe we can do better. Ms. Stever took the opportunity to thank the Caseworkers, Senior Caseworkers, Clinic Coordinators and Assistant Director. Thank you for your service and dedication. Thank you for leaving your families to attend trainings. Thank you for knocking on the door in response to a CPS report. Thank you for staying with a child in the emergency room. Thank you for going out to try to engage parents. Thank you for getting out of bed to go with law enforcement to remove a child as a result of CPS report. Thank you for taking food to someone who has no food. Thank you for taking calls outside of the work day. Thank you for listening to a child disclosing their sexual abuse and listening to the parent disclosing their own trauma. Thank you for celebrating with a parent on their first day of sobriety or when their child returns home from placement. Thank you for delivering Christmas gifts for children and adults. Thank you to our Foster Care parents. Each and every day our team of professionals are my heroes who do this work with a full heart.

Chairman Van Etten opened the floor for comments by members of the public.

Tim Hargrave, Cameron Mills, stated he and his wife own a farm in the Town of Cameron and the Town of Thurston. With the sale of the Dickson facility, the new owner wants to double the amount of sewer sludge they accept. The Town Supervisor has requested that the DEC hold a public meeting regarding the permit modifications and they have denied that request. He encouraged the Legislators to write to Tim Walsh, Region 8 DEC Director (Tim.Walsh@DEC.NY.GOV) to request they schedule a meeting before allowing sludge from Long Island to be transported here. Our residents have felt the disproportionate negative impacts of sludge disposal for over 40 years. He also requested the Legislature start discussions regarding putting a countywide ban on sewage sludge disposal on farmlands.

Wayne Wells, Cameron, stated PFA's are forever chemicals and are a threat. This is the first class of chemicals identified to be toxic in parts per trillion. These chemicals accumulate in tissue and cause diseases as well as fetal development problems. Sample testing has shown that these chemicals are everywhere. The EPA reports that the levels of PFA's are 1-10 parts per trillion in rainwater worldwide. He stated he would like to see a unanimous rejection of sludge disposal on our farms and silence is not an option.

Michael Volina, Campbell, stated he is the Thurston Town Supervisor. He is requesting that the County Legislature amend the 2018 Solid Waste Management Plan and remove language relative to bio-solid materials. The only solution for sewage sludge is the Landfill. Sewage sludge is not an alternative to commercial fertilizers. Sewage sludge is riddled with heavy metals and PFA's. This contaminates our groundwater and is directly linked to negative health such as cancer. Residents on Bonny Hill in the Town of Thurston have not been able to drink their water. Testing has shown that adjacent landowners have PFA contamination. This is a concern in Thurston and Cameron as the Governor has vowed to increase land spreading of sewage sludge. Casella plans to import sewage sludge. Thurston has a low tax base and we do not have the services to repair roads that will be damaged by truck traffic and we also have limited medical resources. On February 15th, the Town of Thurston passed a one-year moratorium on this and we are trying to find the next way forward. We have an open public meeting scheduled for August 10th at the Campbell-Savona High School from 6pm – 8pm to share their opinions and discuss sewer sludge spreading.

Chairman Van Etten thanked everyone for their comments and declared the opportunity for public comment closed.

Motion adopting the minutes of the previous meeting made by Mr. Mullen, seconded by Mr. Malter and duly carried.

Mr. Wheeler stated he would like to congratulate Mr. Sauro and his staff. They were just notified that they will be presented with the Jonathan E. Gradess Service of Justice Award from the New York State Defender's Association. This is a huge, huge honor in recognition of the tremendous work that Mr. Sauro and his staff do.

Mr. Van Etten stated we also received notice of a \$4 million award for a bridge. Mr. Wheeler stated yes, the State is coming through with the Federal money and State money for a new bridge.

Mrs. Scotchmer announced the Hall of Fame recognition will be held immediately following this meeting. Additionally, Steuben County is hosting the Inter-County Association of Western New York meeting on August 18th at 9:00 a.m. This meeting will be held at the Pleasant Valley Inn in Hammondsport.

Mrs. Lando stated she had asked all of the Legislators for a list of sticker stores in their districts. As of this morning, she has only had responses from three. I would appreciate it if you would send me your lists. She stated she is going to send a list to the Office of Cannabis Management as well as Senator O'Mara and Assemblyman Palmesano. She reiterated she needs this list today.

1. ORGANIZATION OF THE LEGISLATURE

Each even numbered year the Clerk of the Legislature shall take the Chair at the hour to which the members were summoned to meet and organize. Presence of Legislators sufficient to constitute a majority of the voting strength of the entire Legislature shall constitute a quorum and a majority vote of the legislative membership necessary for the election of a chairperson to serve for the period prescribed by law and these Rules of Procedure for two years and for the transaction of business, but a less number may adjourn. The Clerk shall call the meeting to order and open the meeting for the election of one of its members as temporary chairperson by a majority vote of the voting strength. According to the will of such majority, the temporary chairperson, majority or minority leader, shall open the meeting for nominations and elections, or declare an Executive Session or Caucus. After such Caucus or Executive Session, the Legislature shall again meet in open session.

a. The procedure to nominate, vote and declare the result shall be as follows:

(1) Nominations of candidates shall be made from the membership of the Legislature and each nomination shall be seconded.

(2) After nominations have been duly closed, the procedure of voting shall be by roll call vote. The roll will be called for each candidate in alphabetical order. In the event no candidate receives an affirmative vote of the majority of the voting strength of the legislative membership on the first roll call vote and there should be no declared winner after the second roll call vote on the candidates originally voted on then, in such event, the candidate with the fewest votes shall be eliminated after the second roll call vote. If there shall not have been a majority vote for a candidate after the taking of a third roll call vote, the same provision would apply after the fourth roll call vote and any further votes which may be necessary depending upon the number of candidates in nominations, for election of the Chairperson of the Legislature.

If, after any even numbered vote, there is no one candidate with fewer votes, then every candidate shall remain in contention until one person receives fewer votes than all the other candidates. In any event, should there be two (2) Legislators in contention for election as Chairperson, they shall continue to remain in contention until such time as one receives the requisite affirmative vote of the majority of the voting strength of the Legislature.

In the absence of the Clerk of the Legislature, the Deputy Clerk of the Legislature shall perform the duties of the Clerk.

In the event no chairperson is elected, the legislative membership shall have the power by majority vote to name an acting chairperson, who shall preside over meetings until a chairperson is elected by the Legislature. The acting chairperson shall possess no powers nor perform any duties other than to preside over a meeting. In the event a chairperson is not elected before February 1 in an organizational year, or if a vacancy shall occur for more than 30 days, the chairperson shall be appointed by the County Clerk.

b. The election of the Vice-Chairperson of the County Legislature shall follow the same procedure as the election of the Chairperson of the County Legislature, provided above. The Vice Chairperson shall be vested with the powers, duties and responsibilities as provided in County Law Section 151, Subdivision 6-a. and in accordance therewith. In the absence of the Chairperson and Vice Chairperson, the Majority Leader shall preside over a meeting of the Legislature. In the absence of the Chairperson, Vice Chairperson and Majority Leader, the Minority Leader shall preside over a meeting of the Legislature. In the event the Vice-Chairman position is not filled on or before February 1 in an organizational year, or if a vacancy shall occur for more than 30 days, the position shall be filled in the same manner as Chairperson of the Legislature.

c. In the absence of the Chairperson, Vice Chairperson, Majority Leader and the Minority Leader, the Legislature by a majority vote may elect a temporary chairperson to preside over meetings during the absence of the Chairperson, Vice Chairperson, Majority Leader and Minority Leader. The temporary chairperson shall be elected in the same manner as the chairperson to serve for that meeting only.

In the event of a vacancy in the office of Chairperson, the Vice-Chairperson, Majority Leader or Minority Leader, as provided above, of the Legislature shall summon the members of the Legislature to a meeting for the purpose of

filling the vacancy. The successor shall be elected in the same manner as at the meeting to organize. In the absence of the Vice-Chairperson, Majority Leader or Minority Leader of the Legislature, the summons shall be given by the Clerk of the Legislature and (s)he shall preside. The Legislator receiving the requisite affirmative vote of the weighted voting strength of the membership of the Legislature shall be declared elected and shall serve for the unexpired term of chairperson.

In the event no successor chairperson is elected, the Legislature by majority vote shall have the power to name an acting chairperson, who shall preside over meetings until a chairperson is elected by the Legislature or appointed by the County Clerk. The acting chairperson shall possess no powers nor perform any duties other than to preside over a meeting.

d. The procedure for designation of majority and minority leaders shall be as follows:

Each even numbered year the political parties having the largest and next to largest membership represented on the County Legislature shall elect from among their members a leader. The leader of the political party having the greatest membership on the Legislature shall be known as the "majority leader", and the leader of the political party having the next greatest membership on the Legislature shall be known as the "minority leader". A resolution appointing the Majority Leader shall be presented and approved by the majority of the members of the political party having the greatest membership on the Legislature. A resolution appointing the Minority Leader shall be presented and approved by the majority of the members of the political party having the next greatest membership on the Legislature. Said resolutions shall be adopted by roll call vote. The appointment of the Majority Leader and Minority Leader must be accomplished before February 1 of the year in which the Legislature is organized.

If either or both such leader(s) is/are not elected on or before said February 1, then the Clerk of the Legislature shall solicit nominations for same from the Chairperson of the affected party or parties. That nomination shall be placed before the Legislature at the next regular meeting and shall, upon vote of the membership of the members of that party or parties, be elected to said position by a simple majority vote of the Legislators of that party then in attendance. Such nomination shall be of a member of the party so nominated and a member of the Legislature.

2. TIME OF MEETINGS, AGENDA AND PRESENTATION OF RESOLUTIONS

Regular meetings shall be convened on the fourth Monday of each month at 10:00 A. M., in the Legislative Chambers located in the County Office Building, Village of Bath, New York, unless the Legislature or Chairperson of the Legislature specify another meeting day, time or place in a notice mailed at least one week previous to the meeting. At least four days previous to the meeting, the Clerk shall prepare and post on the County website an agenda containing the titles of all resolutions, legalizing acts and local laws or other business contemplated for consideration at such meeting under general orders for the day. Notification of the posting of said agenda shall be made by email to each Legislator, county department official, media and the Presidents of the three bargaining units representing the employees of Steuben County. There shall be at least one regular meeting per calendar month.

Special meetings may be convened at any time in compliance with Section 152 of the County Law of the State of New York.

In order to place a resolution on the Legislature's agenda, each Legislator may submit the same to be approved by the appropriate Standing Committee. In order for a county officer to place a resolution on the Legislature's agenda, each county officer must review the item with the County Manager prior to submitting the resolution to the appropriate Standing Committee for approval. It is recommended that resolutions be in written form when submitted to Committees for approval. A resolution that involves an additional appropriation or a transfer of funds shall also be presented to and approved by the Finance Committee prior to being placed on the agenda. A resolution that involves the salaries and compensation of county employees shall also be presented to and approved by the Administration Committee prior to being placed on the agenda. When requested by a Legislator, the Clerk of the Legislature shall prepare proposed resolutions. Resolutions shall be written by the Department Head presenting the item in Standing Committee. Any proposed Local Laws shall be written by the County Attorney. All resolutions shall be approved as to form by the County Attorney prior to being presented. All resolutions shall be provided to the County Attorney at least eleven (11) days prior to the regular meeting.

Any resolutions requiring action by the Legislature at such meeting which are not filed as above stated and not on the agenda for such meeting will not be entertained unless of an emergent nature requiring immediate action duly authorized by unanimous, affirmative vote of the Legislators attending such meeting of the Legislature, or the number required pursuant to Rule 18b.

3. CALL TO ORDER OF OPEN MEETINGS

The Chairperson shall take the chair at the hour to which the Legislature shall have adjourned, recessed, or called to convene. The statement by him that "the Legislature will come to order" shall open the meeting. Presence of Legislators sufficient to constitute a majority of the voting strength of the entire Legislature shall constitute a quorum and a majority vote of the membership of the Legislature necessary for the transaction of business. A lesser number may recess or adjourn. The Chairperson shall cause the roll to be called of those present. The Clerk shall enter in the minutes "quorum present", and subsequently record late arrivals.

4. USE OF VIDEOCONFERENCING TO CONDUCT OPEN MEETINGS, UNDER EXTRAORDINARY CIRCUMSTANCES

Pursuant to Local Law No. 2 of 2022, members of the Legislature shall be physically present at Legislative meetings, unless allowed remote attendance at locations that do not allow for in-person physical attendance by the public, under extraordinary circumstances. Extraordinary circumstances shall include but not be limited to: disability, illness, caregiving responsibilities or any other significant or unexpected factor or event which precludes the member's physical attendance at such meeting. Members shall provide notice of their inability to attend a meeting to the Clerk of the Legislature's Office at least 24 hours prior to the meeting, or as soon as practicable. The Chair of the Legislature shall retain discretion over permitted extraordinary circumstances.

5. ORDER AND DECORUM AT OPEN MEETINGS

The Chairperson shall preserve order and decorum at all times. In the event of demonstrations interfering with the orderly conduct of business, the Legislature may recess, or the Chairperson may call upon the office of the Sheriff to restore order.

6. PRESENCE OF PUBLIC AT OPEN MEETINGS

The meeting shall be open to the public and the Chairperson may designate the places where the public and press may be seated.

Members of the public wishing to address the Legislature must sign in at least 5 minutes prior to the start of the meeting and provide their name, address and the subject matter. The Chairperson of the Legislature shall decide if a member of the public shall be entitled to address the Legislature subject to a majority vote of the Legislature to the contrary. In any event, ten (10) minutes of each regular meeting shall be made available to the public to address the Legislature, however, the Legislative Chair has the authority to extend this time. Members of the public may submit comments in writing to the Clerk of the Legislature's Office via email. Written comments must be submitted prior to 8:00 a.m. the day of the scheduled Legislative Meeting for them to be read into the record of the meeting.

In bringing matters before the Legislature for consideration, the Chairperson shall consider the number desiring to speak and its importance, in order that the number and time may be allotted commensurate with courteous recognition of the privilege of the public to attend and be heard. The Chairperson shall determine the order in which matters shall be presented and those speaking shall confine their remarks to the subject matter and refrain from personal reflections other than to explore an ulterior motive, and shall be of no more than three (3) minutes duration. Subject to a majority vote of the Legislature to the contrary, the speaker shall take the speaker's seat upon request of the Chairperson.

7. PRESENCE OF COUNTY OFFICERS AND EMPLOYEES AT OPEN MEETINGS

Upon request of the Chairperson, or of any Legislator, a designated county officer or employee shall attend the meeting and answer any questions pertinent to the person's office or employment. Any county officer may attend and present upon any matter pertaining to their office under "Reports of County Officers". Subject to a majority vote of the Legislature to the contrary, the Chairperson shall determine the order in which the matters are to be presented. The Clerk shall enter in the minutes the presence of the officer or employee and in brief the subject matter. The County Attorney and County Manager shall be present during all of the meetings, unless excused by the Chairperson. Department Heads need not be in attendance at said meetings unless an item pertaining to their department is contained in the agenda.

8. ORDER OF BUSINESS AT OPEN MEETINGS

Subject to a majority vote of the Legislature to the contrary, the Chairperson shall decide all questions on the order in which business is to be transacted. "I rise to the point of order", or similar statement on the part of a Legislator shall require the Chairperson to decide the question of order and assign the reasons therefore. Upon a Legislator saying he appeals the decision, the Chairperson shall put the question of order to a vote of the Legislature. The result of a majority vote of the Legislature shall be final. The Clerk shall enter in the minutes that the Chairperson was "sustained" or "reversed", as the case may be.

Unless otherwise determined, the order of business shall be as follows:

- a. **INVOCATION** shall be offered at the beginning of each and every open meeting of the Steuben County Legislature on a rotating basis of all Legislators wishing to participate.
- b. **THE PLEDGE OF ALLEGIANCE** to the Flag of the United States of America shall follow the Invocation at each and every open meeting of the Steuben County Legislature on a rotating basis of all Legislators wishing to participate.
- c. **APPROVAL OF THE MINUTES OF THE PREVIOUS MEETING.** The Chairperson shall inquire of the Legislature whether or not there are any errors or omissions in the printed minutes. Correction of any error or omissions shall be made. The Chairperson shall announce that the minutes as printed or as corrected are approved and the Clerk shall enter in the minutes a statement to that effect.
- d. **PRESENTATION OF REPORTS OF STANDING COMMITTEES.** Written reports shall be signed by a majority of the committee membership. In the event of a divided recommendation, the majority and minority reports shall be signed by the respective committee membership. Written reports shall be received and directed to be printed in the annual proceedings of the Legislature unless it contains slanderous or defamatory statements. The Legislature by majority vote may require oral reports to be reduced to writing.
- e. **PRESENTATION OF REPORTS OF SPECIAL COMMITTEES.** The foregoing provision relative to standing committees shall apply to the reports of special committees.
- f. **PRESENTATION OF REPORTS OF COUNTY OFFICERS AND AUTHORIZED AGENCIES.** The foregoing provision relative to reports of standing committees shall apply to the reports of county officers and authorized agencies. Except for the County Manager, all oral reports shall in no event exceed ten (10) minutes duration. However, the Chairman shall have discretion to grant an extension of such time limit, as he deems appropriate. The limitation of ten (10) minutes shall not apply to presentations requested pursuant to subparagraph "g" herein, "GENERAL ORDERS FOR THE DAY AND INTRODUCTION OF RESOLUTIONS, LEGALIZING ACTS AND LOCAL LAWS".
- g. **GENERAL ORDERS FOR THE DAY AND INTRODUCTION OF RESOLUTIONS, LEGALIZING ACTS AND LOCAL LAWS.** The Chairperson shall call for consideration such matters as are included on the agenda. The Chairperson may call for consideration of any matter included within the Chair's powers and duties as the administrative head of the county government. The Legislature may consider any matter not included on the

agenda, except that any subject matter theretofore laid upon the table shall not be considered under general orders for the day.

h. UNFINISHED BUSINESS. The Chairperson shall call for the reconsideration of any subject matter therefore laid upon the table if in the resolution it was directed to be brought up at the meeting. When, in the previous resolution, no time was specified for its reconsideration, it can be called for reconsideration upon a majority vote of the Legislature.

i. ADJOURNMENT. Adjournments shall be taken to a certain date or to the date of the next regular meeting, except that the last meeting of the year shall be adjourned.

9. PROCEDURE ON ADOPTION OF RESOLUTIONS, LEGALIZING ACTS AND LOCAL LAWS

The reading of the title of a written resolution, legalizing act or local law, together with the name of the sponsoring Legislator shall constitute a motion for its adoption. All motions must be seconded. In proposing an oral resolution, the Legislator shall state the contents of the resolution, together with a statement in substance, "I offer the resolution and move its adoption". In the absence of a motion to withdraw, to amend, to table or to substitute, the Chairperson shall put the resolution to a vote of the legislative membership.

Except as hereinafter provided, the vote shall be by acclamation, with the Chairperson announcing, "you have considered the resolution, all in favor signify by saying aye, opposed no". The Chairperson shall declare the results and the Clerk shall enter the result in the minutes. Upon request of any Legislator, the Clerk shall enter in the minutes the manner in which he voted.

The ayes and nays shall be taken on all resolutions or questions requiring a roll call vote of the Legislature when required by statute, or demanded by any member of the Legislature. In general the vote of the Legislature shall be taken by roll call on all resolutions or on questions involving appropriation or expenditure of money and on all money or financial matters of the county, and the following types of resolutions or questions:

- a. Final Adoption of Local Laws.
- b. Legalizing acts.
- c. Levying taxes on all tax matters.
- d. Making or confirming appointments, except those in the exclusive discretion of the Chairperson the Legislature and for those which no compensation or salary is made.
- e. Pertaining to any and all real and personal property of the county, now owned or acquired in any manner.
- f. Creating any office or commission, by whatever title known, when not required by local law; or creating a standing committee.
- g. Regulations concerning any and all county officers and employees including the Chairperson of the Legislature and Legislators.
- h. Designating official newspapers and depositories.
- i. Amending County Highway system map.
- j. Proposing legislation requested of the State of New York when it relates to Municipal Home Rule Requests for the benefit of the County of Steuben.
- k. Submission of any proposition to the electors of the county.
- l. Relating to public records.

m. Amendments, repeal or superseding of these Rules.

Upon a roll call vote the Chairperson shall announce that the Legislature has considered the resolution, legalizing act or local law, as the case may be, and as each name is called, the Legislator shall answer yes or no. The Clerk shall record the vote of each Legislator. The names of absent Legislators need not be called more than once. Any Legislator may decline to vote and shall state the reason, subject to a majority vote of the Legislature to the contrary. The Clerk shall use a revolving alphabetical order on all roll call votes.

No Legislator may vote upon a resolution in which the Legislator has a personal interest.

Every resolution, legalizing act, local law and proposition for its adoption by the Legislature shall require the affirmative vote of a majority of the voting strength of the entire Legislature. A majority of the voting strength is hereby defined as 4,680 votes of the membership of the Legislature except as otherwise provided by law or these rules. An affirmative vote of 5,615 votes of the membership shall be necessary to adopt a resolution, legalizing act, local law and proposition by a three-fifths vote of the legislative membership; an affirmative vote of 6,232 votes of the membership shall be necessary to adopt a resolution, legalizing act, local law and proposition by a two-thirds vote of the legislative membership; an affirmative vote of 7,019 votes of the membership shall be necessary to adopt a resolution, legalizing act, local law and proposition by a three-fourths vote of the legislative membership; and an affirmative vote of 7,486 votes of the membership shall be necessary to adopt a resolution, legalizing act, local law and proposition by a four-fifths vote of the legislative membership.

The vote shall be counted and the Chairperson shall declare the result. The Clerk shall enter in the minutes and shall cause to be print in the annual proceedings the vote of each Legislator and the declaration of the Chairperson on the result. When the vote is not unanimous the names of those voting in the minority and the names of absentees will be printed.

While a vote is being taken, no Legislators or persons shall leave their seats nor engage in conversation.

A resolution duly moved for adoption and seconded may not be withdrawn by the sponsoring Legislator except in conformity with Robert's Rules of Order permitting the withdrawal of a motion. A motion to lay on the table, postpone to a date certain or to refer to a committee or to recess, or to adjourn, which is duly seconded shall be put to a vote of the legislative membership before any further business is transacted and the result of a majority vote of the legislative membership shall be final.

After a resolution has been duly moved for adoption and seconded and before it is put to a vote of the legislative membership, any Legislator may move to modify the terms of the resolution in one or more particulars. If the sponsoring Legislator(s) accept(s) the amendment, the resolution shall be put to a vote of the legislative membership as if the original resolution had been so amended. If an amendment is not accepted by the sponsoring Legislator and it has been seconded, the Chairperson shall first put an amendment to a vote of the legislative membership. In the event of more than one amendment duly made and seconded, the Chairperson shall put the amendments to a vote of the legislative membership in the reverse order thereof. If the amendments are not voted by the required number of the legislative membership, the Chairperson shall then put to a vote the original resolution without amendment.

Resolutions may be amended, repealed or superseded.

Following presentation of a Local Law to the full Legislature, said Local Law shall be laid upon the desks of members of the Legislature until the next regularly-scheduled meeting where it will be presented for Final Adoption following the holding of a public hearing. If the proposed local law is amended, it shall be rewritten and reproduced in its amended form. Pursuant to Municipal Home Rule §20(4), said local law, as amended, shall be laid upon the desks of members of the Legislature (proposed Local Laws shall be deemed laid upon the desk of a member of the Legislature when it is either: deposited in the Legislator's mail box maintained by the Steuben County Legislature; sent via email; and/or posted on the County website) at least seven calendar days, exclusive of Sunday, before it may be acted upon.

The Chairman of the Legislature shall have authority to certify as to the necessity for a Local Law's immediate passage. Upon the declaration of a message of necessity, the required waiting time can be waived and such Local Law may be passed by the affirmative vote of two-thirds of the total voting weight of the Legislature, following the holding of a public hearing. Simultaneously with the placement and mailing of the proposed Local Law to members of the Legislature, a public hearing

shall be set by the Clerk of the Legislature relative to the adoption of said proposed Local Law for the next scheduled meeting of the Legislature and, in no case, sooner than five calendar days.

10. FORM AND CONTENTS OF RESOLUTIONS

All resolutions required to be voted upon by roll call vote shall be in writing. There shall be a title prefixed concisely stating the contents and a recital of the provision of law authorizing its adoption and whether it amends, repeals, or supersedes a previous resolution.

The contents shall embrace but one subject. A provision therein relative to the manner of financing necessary to make its object effective shall not be deemed another subject.

When a committee resolution sponsored by a Committee Chairperson is introduced to the full Legislature it will include a notation of the vote of each committee to which it has been presented, i.e., 5-0, 4-1, 3-2, 3-0, 3-1, or submitted to the Legislature for their consideration without committee recommendation of any nature.

11. RIGHT OF DEBATE IN OPEN MEETINGS

All motions duly made and seconded are debatable. No debate shall be allowed upon the main question, when the motion is to refer to a committee, go into an executive session or caucus, lay a resolution on the table, postpone a resolution to a date certain, recess, or adjourn. No person other than a Legislator may debate a question without permission of all the Legislators present. The County Attorney shall advise the Legislature on legal questions. No Legislator shall speak more than once on the same question until every member desiring to speak on such question shall have spoken. No Legislator may speak more than twice on any question without permission of a majority vote of the legislative membership. Before speaking, a Legislator must be recognized by the Chairperson and, when two or more Legislators shall rise at the same time, the Chairperson shall determine whom they will recognize. In speaking, the Legislator shall confine remarks to the question and refrain from personal reflections other than to expose an ulterior motive. While speaking, any other Legislator may rise and ask if the speaking Legislator will yield to a question. If the speaking Legislator yields, the question may be asked and answered without prejudice to the Legislator in continuing the Legislator's remarks. While a Legislator is speaking, no other Legislator or other person shall engage in any conversation nor pass between him and the Chair. If a Legislator rises to the point of order, the Chairperson shall decide and may assign the reasons therefore. Upon a Legislator appealing from the decision, the Chairperson shall put the question of a violation to the vote of the Legislature. The majority vote of the legislative membership shall be final and the Clerk shall enter in the minutes that the Chairperson was "sustained" or "reversed", as the case may be. Pending the rising to the point of order, and until the decision or vote is taken and declared, the speaking Legislator shall sit down and refrain from talking.

When the Legislators are ready for the question, the Chairperson shall put the main question to a vote of the legislative membership. When it appears that a question should be divided, a motion may be made dividing the question and such motion shall take precedence.

12. USE OF A GAVEL IN OPEN MEETINGS

The Chairperson shall rap the gavel three times to bring all Legislators to their seats upon the call to order of the Legislature, or to restore order; two raps for the legislative members to stand and one rap to sit down and in the announcement of the result of a vote by the legislative membership.

13. CLOSED MEETINGS IN EXECUTIVE SESSIONS

Any Legislator may move to go into Executive Session for matters authorized under Public Officers Law, Section 105. Each motion to go into executive session shall contain a specific statutory reference for the exemption to Open Meetings Law requirements. If the executive session pertains to more than one topic of discussion, the number of topics and the specific statutory exemptions for each topic shall be made a part of the motion to go into executive session. Once the

executive session has been convened, the first order of business is to confirm that the subject for which the executive session was called is legal and necessary. The County Attorney will make a decision as to the legality of the executive session.

No official action, except as authorized by statute, shall be transacted and no part shall be construed as limiting the exemptions available under Public Officers Law, Section 108, including, but not limited to, deliberations of political committees, conferences and caucuses.

Whenever practicable, motions pertaining to the outcome of topics discussed in executive session shall be made in open session immediately after the executive session has ended.

NO EXECUTIVE SESSION PARTICIPANT IN OPEN SESSION SHALL DISCLOSE WHAT BUSINESS MAY HAVE BEEN TRANSACTED IN SUCH EXECUTIVE SESSION OR THE REMARKS OF ANY EXECUTIVE SESSION PARTICIPANT. Disclosure of Executive Session discussion or materials is a violation of the Steuben County Ethics Local Law Section 2. C. 1.

14. GENERAL FUNCTION OF COMMITTEES

All committees shall aid in the performance of the powers and duties of the Legislature.

a. **HOW CONSTITUTED.** There shall be such standing committees as are authorized by these rules, and special committees as are authorized by the Chairperson of the Legislature. All Legislator members of a committee shall be appointed by the Chairperson of the Legislature and the Legislative Chair shall be an ex-officio member of each. The first named shall be the chairperson of the committee and in the absence of some other designation by majority vote of the committee itself, the second named shall be the vice chairperson thereof. Any vacancy shall be filled by the Chairperson of the Legislature without delay. A standing committee shall consist of members of the Legislature only.

b. **TERM OF OFFICE.** Members of a standing committee shall serve until the end of the calendar year unless the committee is abolished or changed by majority vote of the legislative membership. Members of a special committee shall serve until the committee is discharged.

c. **GENERAL EXERCISE OF JURISDICTION.** Committees shall familiarize themselves with the subject matter over which jurisdiction has been conferred by these Rules of Procedure. Committees having an office or function in charge shall report any neglect of duty, or failure to comply with rules and directions of the Legislature. They shall render advice and counsel on matters deemed helpful in the performance of the duties of the office or function. Although the Legislature shall always be open for county officers and employees upon any matter involving the office or function, the committee and/or County Manager shall represent them before the Legislature and so far as practical, every county officer and employee shall look to the committee and/or the County Manager for that representation. Criticism and recommendations of State departments or other official bodies shall be considered with the department head or officer. Matters referred to a special committee shall be promptly considered and a report made thereon as soon as practicable.

The Chairperson of the Legislature shall have voting power on a committee. Three Legislators shall constitute a majority of a committee of five; four Legislators shall constitute a majority of a committee of seven; and five Legislators shall constitute a majority of a committee of nine. The affirmative vote of a majority of a committee shall be necessary for any official report; however, a minority report of any committee may be given. The individual voting strength of each member of a committee shall be deemed equal for committee purposes only. Except to the extent as provided by these rules, in the event the committee is authorized or delegated to act on behalf of the entire Legislature, the individual voting strength of each member shall be counted.

All requests for additional appropriations shall be referred by the County Manager to the appropriate Standing Committee and, in turn, such committee shall make its recommendation to the Finance Committee or Administration Committee, as the case may be. Nothing herein shall be deemed to deprive the Finance Committee or Administration Committee of making contrary recommendations to the Legislature. Mr. Mullen stated he would like to thank Mrs. Scotchmer for revising this in accordance with what we discussed last month. He distributed a handout outlining a few further edits that he would recommend. Under the AIP committee we had discussed allowing Buildings & Grounds decisions to be made with AIP and also under the Planning section Mrs. Scotchmer explained the reason for deleting "...planning of all new construction, reconstruction or remodeling of County offices and buildings, including the supervision of all phases of construction..." is because we do not have a Planner who handles those things internally anymore. He stated that he is okay with that.

Motion amending the resolution to include Legislator Mullen's further edits as presented made by Mr. Schu, seconded by Mr. Maio and duly carried.
