WHEREAS, Inter-County Association of Western New York is made up of rural upstate counties with large geographic areas which are dependent upon fully-staffed and trained volunteers for fire protection and emergency ambulance services; and

WHEREAS, it is cost-prohibitive for Counties of Western New York with many small municipal governments to establish paid fire departments and employ professional firefighters and ambulance workers in order to meet the community's fire and emergency medical needs; and

WHEREAS, it has become increasingly difficult in recent years to recruit, train and retain volunteers in sufficient numbers to meet the fire and ambulance service needs of our community; and

WHEREAS, without a sufficient number of volunteer fire companies disbursed among a wide geographic area, and without each having a sufficient number of volunteers to respond to emergencies, the residents, property and insurance rates are be adversely impacted; and

WHEREAS, providing incentives to encourage able-bodied men and women to become and to decide to remain as active volunteer firefighters and ambulance workers is vitally important to the safety of persons and property throughout Counties of Western New York; and

WHEREAS, New York State Senate Bill S.2048 would increase from \$200 to \$500 the income tax credit that is available to single tax filers, and increase from \$400 to \$1,000 the income tax credit that is available to married tax filers; now, therefore, be it

This is to Certify that I, the undersigned, Secretary of the Inter-County Association of Western New York, have compared the foregoing copy of resolution with the original resolution now on file in this office and which was duly adopted by the Association at a session held on the 21st day of April 2023 and that the same is a true copy of said original and of the whole thereof.
